Sarah Nicole Brandt ("Nikki") is a former employee at my business, Dan's Restaurant + Taphouse, and also a former babysitter for my twins. She had struggled to maintain a cordial, professional relationship with other employees, and was creating a hostile work environment where many guests/customers and employees did not feel comfortable. So, despite my personal friendship with her, after numerous altercations with staff and numerous chances, the decision was made to let her go. Nikki was fired yesterday (6/27/20) by my managers Kathryn Moreland and Alex Thaggard. I was not present for this. Yesterday evening, I noticed that I had 3 missed calls, 2 missed face times, and a voicemail from Nikki. I felt uneasy, as I knew she was most likely angry, and I had also noticed her behaving differently towards me (cold, standoffish) ever since we held a peaceful show of solidarity for our friends of color several weeks ago. I did not check the voicemail until this morning, and when I did I was shocked and frightened. Here are the contents of the message:

I have not responded to this voicemail. But based on Nikki's history of threats of violence to others, threats to kill others, and reported physical abuse and violence to others that I have been made aware of, I am very frightened for my safety, the safety of my twins, and the safety of my business and staff. Nikki has several ongoing court cases that involve loss of custody, evidence of Child + partner abuse, evidence of threats of violence or threats to "come for" or "kill" other people, etc. I am not only concerned with my physical safety + the safety of ~~my~~ my children and business, but I am also concerned with the possibility of Nikki spreading lies or otherwise defaming my character. I have been made aware that she has in the past tried to have people fired by making false accusations, and tried to have people's children taken by making false accusations. I am ~~am~~ also concerned she may spread lies to try to harm my business, which is the source of income for myself and my children. I would like to ask that she not contact me, not come to my home, not contact my business, not come to my business, and not defame or slander me to others. Thank you.
